2023 Landfolio User Conference, Cape Town

Opening Remarks

Welcome Back!

A large group of approximately 100 people, mostly Black, are posed for a group photo on a modern, open-air terrace. They are arranged in several rows, with some individuals sitting at small round tables in the foreground. The terrace has a light-colored tiled floor and is surrounded by glass railings. In the background, there are several tall, modern buildings with glass facades, suggesting an urban setting. The overall atmosphere is professional and welcoming.

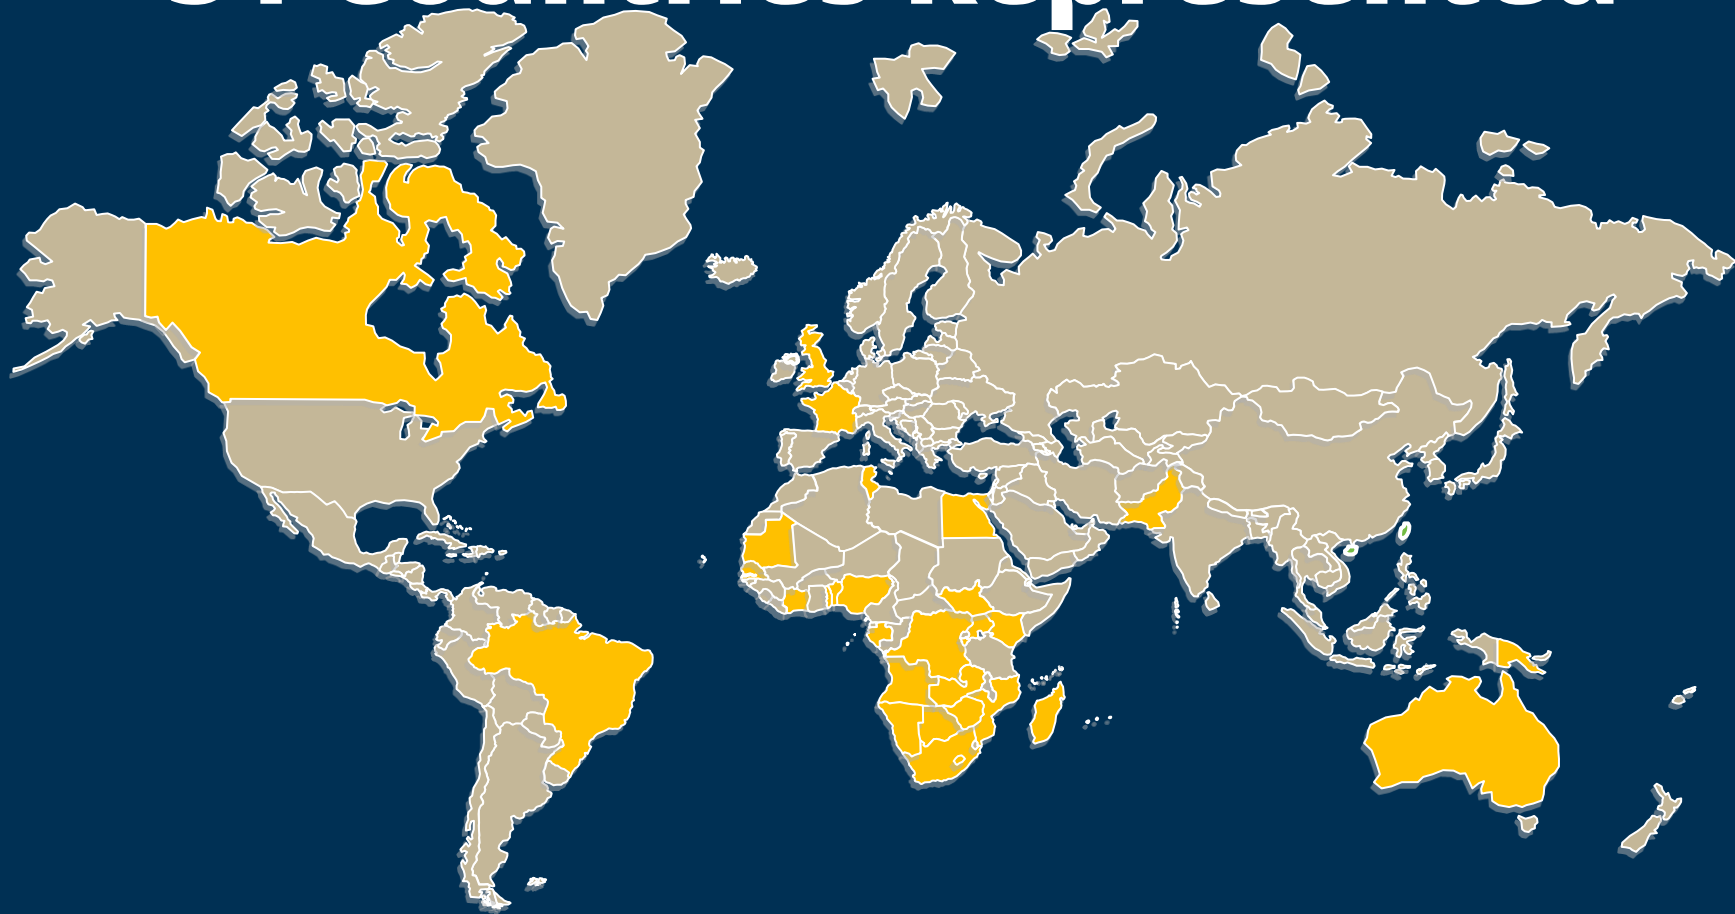

Landfolio User Conference 2020
